The List is House & Garden's indispensable guide of design professionals, searchable by area, name and specialism - an essential tool for anyone seeking inspiration and a direct gateway to both established and new talent, for any project large or small.

Created following the success of the House & Garden Top 100 Interior Designers, The List is a way for House & Garden to discover new talent, support local business and answer that all-important question: ‘Can you recommend someone...?’

Maitland & Poate

Maitland & Poate, a member of The List, is a London-based firm that specialises in reclaimed encaustic tiles. Charlotte Richmond talks to its founders, Chris and Emma Gibson-Brooke.

Driven by a passion for tiles and interiors, we decided to travel round the sunny region of Andalucia in southern Spain, accompanied by our very young children. We were determined to find the best suppliers of the highest-quality reclaimed antique tiles. In the countryside near Seville, we stumbled upon a wonderful farm with the beautiful handmade tiles that we were dreaming of. We planned to ship over a couple of tonnes for our own use, but we couldn’t resist our discovery and, before we knew it, 25 tonnes were heading our way. We’re continuing to focus on what we love – sourcing rare and special materials. We are now sourcing very old, hand-made marble floor tiles, stone black Belgian terracotta – anything that we fall in love with.
